By signing this document, I certify the following ("we" refers to the applicant organization):

1. We have received and reviewed the 'LIHTC Green Point Requirements 2013' document, which includes a list of requirements, an application timeline, forms and related informational material.
2. We understand that if our project's application for Low-Income Housing Tax Credits is accepted and awarded, we will be required to install a solar hot water system that covers 100 percent of the hot water demands for common area needs. If we are installing a water retainage and reuse system the system must be designed and installed to meet 100 percent of the non-potable common area demands (that is, all toilet flushing and landscaping needs).

4. We will purchase, own and maintain the solar hot water system or water retainage and reuse system or as outlined in the agreement with our installer for a period of at least 20 years.
5. We understand that New Jersey ENERGYEfficient Homes certification is a prerequisite to participation in the LIHTC Green Point program. I will comply with New Jersey ENERGYEfficient Homes requirements as indicated in the LIHTC QAP section (c)8 and the 2013 ENERGY STAR Equivalency letter of intent.
6. I am an authorized representative of the development organization, project, and ownership entity.
